Via www.sturdyfluidpower.co.uk

520 O-RING X 118L OFFROAD MOTORCYCLE CHAIN
COMES WITH SOFT (RIVET) LINK OR CONNECTING LINK
£24.99 each plus VAT

ISO 9001 CERTIFIED

Donghua chain is probably the largest chain manufacturer in the world, producing on excess of 40,000 tons of finished chain annually. Historically, Donghua chain has been sold under more popular brand names – but now Donghua has taken the decision to invest in their own brand and expand the UK and European markets, which means that prices are becoming extremely competitive!

Sturdy Fluid Power are delighted to be part of this exciting expansion and have ex-stock 520 O-Ring x 118L available for immediate shipment throughout the UK
